Customer Reviews

I own several of the Our Daily Bread music CD's and Hymns of Comfort is one of my very favorites. It is so peaceful and quieting. A beautiful collection. Highly recommend for listening "comfort".

This is great Christian music! I play it in the morning when reading the bible. However, it is a calm and spiritual body of work that is soothing any time. Musicianship is wonderful. This is well crafted, well produced Christian music. Do not hesitate to add this to your cd collection.

I ususally never buy this genre of music. However, after receiving a similiar item of Our Daily Bread for a gift, I purchased two others of this series. Beautiful instrumentation, arrangements, and styling. Very relaxing and inspiring. I listen at home, at work, and at school.

This is a soft instrumental hymns album. I like it!This music makes my morning a wonderful spiritual. This has good selected hymns for inspiration.

I bought this to use in hospice care for my mother in law. The collection of hymns is very nice. These are easily background music and are comforting.

Enjoying these songs immensely ! Very soothing and reflectful. A definite addition to your music library! I will purchase others in this set soon.
