Paleo Stomp: A Jurassic Stompin' Jive (Eco Series)

Synopsis

If your little one is too young for "Jurassic World", but still want to have some Dino fun, then Paleo Stomp! is right up your alley. And no, it has nothing to do with the Paleo Diet, Paleo Snacks, or Paleo Wraps (although the Brontosaurus could lose a few pounds)! Rather it is a fun tale about the Paleozoic Era and a friendly raptor squad. Dinosaurs love to Stomp! Come join a "Trex" or two and their entourage for this Paleo Era, Jurassic, Epic Dance Party! Don't forget the balloons! You'll be eager to read other books by Michelle Tucker such as Dogs Can't Paint! and Harrison. And if your child is a fan of Dragons, Dinosaurs and other Prehistoric Reptiles, or just loves to stomp, then Paleo Stomp! is the perfect addition! Paleo Stomp! is part of the Eco-Series lineup - which encourages little ones to honor our beautiful Earth and its incredible animals.

Customer Reviews

What a cute story, kids really loved it. With Jurassic world coming out, this really fit the bill for my little ones! Also got The Pout Pout Fish and Ballet Cat, but this one was my favorite. Great stuff!

My daughter loved this book. My son is older and can't wait to see Jurassic World. With this book, she didn't feel left out.

Paleo Stomp was super cute! Even without Chris Pratt! Loved the educational blurb at the end! A

must read and super cute illustration! | Barbara Randles
