Man In White

Synopsis

Johnny Cash. The Apostle Paul. Passionate. Controversial. Fiery. Destructive. Redeemed. Two legendary men. Two thousand years apart-yet remarkably similar. Both struggled with a "thorn in the flesh." And both had powerful visions from God. Paul's encounter with the Man in White knocked him to the ground and struck him blind. It also turned him into one of the most influential men in history. Johnny Cash's vision was of another man entirely-his recently deceased father-a vision that helped spark his imagination to write this historical novel about the amazing life of the intriguing figure with whom Cash identified so deeply-the Apostle Paul. See Paul as you've never seen him before--through the creative imagination of one of the greatest singer-songwriters America has ever known. Subsequently see Johnny Cash, the man in Black, as you've never seen him before--as a passionist novelist consumed with the Man In White.

Book Information

Hardcover: 240 pages

Publisher: Thomas Nelson (August 8, 2006)

Language: English

Customer Reviews

Anyone familiar with the tenets of Christianity know the conversion story of the apostle Paul, a persecutor of Christians, who came to faith in Jesus. After his conversion he became one of the early church's biggest missionaries, converting hundreds upon thousands and building churches wherever he visited. His life story is astounding, and Johnny Cash has done a remarkable job in telling his story in "Man of White", a fictional account of the life of Paul."Man in White" paints an overwhelmingly realistic portrait of Saul of Tarsus, a zealous Jew who felt called to persecute his fellow Jews who had turned to faith in Jesus. His conversion and blinding on the road to Damascus

changes his life; his encounter with the Man in White affirming that his mission in life is not one of persecution but of love. Cash's narrative is fast-paced, Biblically grounded and well-written. The reader is swept into the time and trials of the early Christians, the deadly persecutions they suffered and the fearlessness they had to have in order to give their lives over to Christ. Cash has created a backstory for the apostle Paul that fills in the gaps with clarity and intuition, a daring task for anyone, but one that Cash accomplishes with seeming ease. For those familiar with Johnny Cash only through his music and his history of drug problems, it may seem strange that he chose to write a novel about the apostle Paul. Yet one could draw parallels between what Cash went through to overcome his demons and finally get his life on track, with what Paul went through as he tried to run away from the Lord. Cash is a fitting author for this novel because he knew all about running away from a calling; this novel ate away at him for years before he was able to finish it.
