Reviews"immensely enjoyable" "ForeWord Clarion Reviews"for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures.
"Kirkus Reviews"a fantastic book that has enchanted me" "Customer Review"We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" "Customer Review"Written in a very simple way but with a profound message for both adults and kids." "Customer Review"I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" "ESLCarissa.blogspot.com"readers will emerge from this book feeling slightly more confident about themselves whatever their size." Customer Reviews

Before buying the paperback I wanted to borrow the kindle edition to see how the translation is and saw the words are quite small. While the pictures are bright and colorful I wanted to buy a book more for the words than the pictures. Also, if you want to get political/cultural about the translation, there appears to be a *Viết Cá*TM influence to the language which some might argue isn't as authentic in the sense that the communist party tends to change Vietnamese culture to suit an agenda. Of course reading this book won't seem a bit odd to you unless you speak a little bit of Vietnamese already. Then again this book has no credited translator so does Mr. Winterberg speak Vietnamese along with all the other languages his book is translated in? For someone that doesn't list any language credentials but instead remarks on their enjoyment for adventures abroad I'm doubting this. And how are all these translated books English based when he is German or is this all a publishing fail? So no, I won't be buying this book nor will I be recommending it. Books I do recommend:- *Gau Nau, Gau Nau, Gau Nhin Thay Gi Day?* (Brown Bear, Brown Bear, What do you see?)- *Chu Sau Rom Qua Doi* (The Very Hungry Caterpillar)

Just brought it for my sister's child! Love it!

Beautiful book with very simple Vietnamese.
