ONE DIRECTION: DID YOU KNOW?: A Killer Book Containing Gossip, Facts, Trivia, Images & Memory Recall Quiz: Suitable For Adults & Children (Matthew Harper)

Synopsis

Hi and a very warm welcome to "ONE DIRECTION: DID YOU KNOW?". A Killer Book Containing Gossip, Facts, Trivia, Images & Memory Recall Quiz.(Unofficial & Unauthorized)This book is dedicated to all those 1D fans out there who want to test or brush up on their knowledge. I'm one of those people who loves to hear about extraordinary facts or trivia about anything. They seem to be one of the few things my memory can actually recall. I'm not sure if it's to do with the shock or the "WoW" factor but for some reason my brain seems to store at least some of it for a later date.This edition includes a selection of those "WoW" facts combined with some pretty awesome pictures, if I say so myself! At the end there is a short "True or False" quiz to check memory recall and to help cement some of the information included in the book. Don't worry though, it's a bit of fun but at the same time, it helps to check your understanding.Please note that if you're an expert on this subject then you may not find anything new here. If however you enjoy hearing sensational and extraordinary trivia and you like looking at some great pictures then I think you'll love it.Enjoy the show.....Matt.
