Pigsticks And Harold And The Incredible Journey (Candlewick Sparks)

Synopsis

In a wry new early reader, the world's most optimistic pig and his nervous hamster sidekick set out on an exploration to find the Ends of the Earth. Pigsticks is the last in a noble line of explorers, and he's decided it's time for him to follow in his forepigs' footsteps with an assistant to do the heavy lifting, of course. When his help-wanted ad draws a motley crew of candidates, he chooses a hapless delivery hamster named Harold. As the unlikely duo set off from Tuptown with plenty of tea cakes in tow, Pigsticks is breathless with excitement (and Harold is struggling for breath under all the gear). But after a long trek through jungles, over deserts, and up a giant ice-topped mountain, the last crumb of cake is stolen by a herd of thieving goats, and their goal is nowhere in sight. Will they ever discover the Ends of the Earth? Could it be in the last place they'd ever think to look?

Granddaughter loves the book.

Wow, what a fabulous new addition to the youth graphic novel genre! My whole family fell in love with this intrepid duo while reading this book. Funny, charming, clever... an easy and satisfying read

for our 7 year olds, but an even funnier read-aloud for mom and dad! I enjoyed making up the voices for the characters and we loved the whimsical style of illustration. More Pigsticks and Harold, please!

A pig and a hamster set off on a journey to the Ends of the Earth. Which are farther away than you might think. And closer, too. Full of fun. And cake. Loved this beautifully illustrated adventure story.

My whole family loves this book! We just purchased the second and are anxiously awaiting the third! :)
