Customer Reviews

This CD is fabulous!! It provides amazing insight & inspiration. I keep buying this 10 copy pack to give to my business partners!

Mr. Jim Rohn was one of the greatest minds of our time. This CD starts with basic principles of being successful in network marketing. He uses himself as a real life example of why you want to be a network marketer versus being an employee, such as "Profits are better than wages", and much more! He presents some simple truths in a humorous way. One of the best investments I have ever made.

Jim Rohn is a genius! I have listened to this CD over & over & over, and will have it as part of my library forever. It applies to your business (any type of business) and your personal/family life. The concepts in this CD are so basic - yet most of us never stop to really grasp and apply them. I continue to buy this package and pass them out every chance I get. If you take this CD to heart, it WILL change your life and your income.

I continue to purchase these CDs and give them to our newest business partners. Everyone that has received one of these CDs talks about them constantly about how it is helping them build their business and change their lives.

A MUST for every network marketer!!! Jim Rohn at his very best! He simplifies the process and makes it fun for those new to the great industry. This is a 10 pack of the same CD...a wonderful gift to give new team members and a great personal development tool to get them started!!! Absolutely Awesome!

Jim Rohn is the best when it comes to sharing information about network marketing. I highly recommend this CD for anyone how plans to start their home based business in network marketing and anyone who is already in their home based business of network marketing.

Jim Rohn is amazing amazing amazing! I could listen to his presentations all day. A must have for any serious Network Marketer! Learn from the experts in this business. You will want this in your network Market Direct Sales Business Library. Your business will grow.

Jim is witty and funny as he gives Practical, solid wisdom from a life-time of business adventures,

his biblical references applies to all and is presented in such a way anyone can understand it's knowledge.
