Financial Accounting: IFRS

Synopsis

While there is growing interest in IFRS within the US, interest outside the US has exploded.

Weygandt's third edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy, robust EOC) on which users of Weygandt Financial have come to rely, while putting the focus on international companies/examples, discussing financial accounting principles and procedures within the context of IFRS, and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars.

Book Information

Hardcover: 856 pages

Publisher: Wiley; 3 edition (July 27, 2015)

Language: English

ISBN-10: 1118978080

ISBN-13: 978-1118978085

Product Dimensions: 8.3 x 1.1 x 10.9 inches

Shipping Weight: 4.1 pounds (View shipping rates and policies)
