The Clifford books are probably my favorite books. I like reading about clifford and all the different things he does. Like in this book clifford first autumn. Clifford finds out what it is like in autumn. He jumps in the leaves and see his first pumpkin. I think it is to hard to pick your favorite clifford book. They are all good and I like them all.

This is the cutest book ever! I always enjoyed the Clifford books, especially this one. The illustrations are just adorable. I just loved how he was such a mischevious puppy!! I gave this book 5 stars.Kathy Weirauch

Another favorite of my grand daughters. We collected leaves continuously after reading this book. The pictures were very bright and colorful in this book. I alike that!!

My son loves Clifford, we read these stories daily before going to sleep, it's educational at the same time, he began to say full sentences after reading Clifford stories for several times.

My Kids love the clifford series and are in love with everybook, this one came just in time for bedtime stories, great easy read for kids to follow, I'm glad I bought it.

My grandsons age 2 1/2 years old loved this book especially as the trees filled with color in their neighborhood. Who doesn't love Clifford?

I love all of the books I've read in the Clifford series and I love autumn so this book is a match for me. Emily and Clifford are as endearing as ever as they explore the changing season. It is fun to see Clifford experiencing the classic sights, sounds and activities of fall as only Clifford can.

My daughter loves the Clifford books and this book is good. She is 2 years old. I would recommend it.
