Customer Reviews

It's Ok. However, I have a physical disability, so I can't say this book really addressed my needs in

regards to typing faster.

I have always wanted to type faster. Thanks for some of the great advice. My typing speed has increased, not by a lot because I am still battling with my two-finger approach, but picking up steadily. Thanks.

The 5 books that are supposed to be "FREE" when you get to his book list.....are NOT "FREE" they are \$ 1.99 and before you hit those down the list of his book's is the "10 piece set for \$3.99"...*****FALSE ADVERTISING!*****

Good book
