Customer Reviews

I bought this for my daughter who loves Disney Descendants. The short stories are cute and my daughter liked them. The pages of this book feel and look like comics from the Sunday newspaper. The images are screen stills from the animated short, and are every so often blurry and not as sharp as they should be. My daughter has other 'comic' like books with better print quality. It seems to me that Disney rushed to print this out as a companion to the shorts before the tv movie sequel comes out.

This is a great comic book to read. I loved it.

Great starter comic for girls!
