Indian Captive: The Story Of Mary Jemison (Trophy Newbery)

Synopsis

Mary Jemison has been captured by a Shawnee war party! How will she survive? When twelve-year-old Mary Jemison and her family are captured by Shawnee raiders, she's sure they'll all be killed. Instead, Mary is separated from her siblings and traded to two Seneca sisters, who adopt her and make her one of their own. Mary misses her home, but the tribe is kind to her. She learns to plant crops, make clay pots, and sew moccasins, just as the other members do. Slowly, Mary realizes that the Indians are not the monsters she believed them to be. When Mary is given the chance to return to her world, will she want to leave the tribe that has become her family? This Newbery Honor book is based on the true story of Mary Jemison, the pioneer known as the "White Woman of the Genesee." This ebook features an illustrated biography of Lois Lenski including rare images and never-before-seen documents from the author's estate.

Customer Reviews

I have enjoyed Lois Lenski's books since I was a girl back in the 50's, but this is one of her best. Based on a true life narrative, INDIAN CAPTIVE chronicles the psychological journey from white girl

to a young Seneca woman. In fact Mary Jemison (kidnapped at 15) became known, respected and loved as the White Woman of the Genesee. Lenski recreates her struggle to maintain her English heritage in the face of Native American beliefs and traditions--all depicted honestly, fairly, without bias to either side in this 18th century culture-clash. Lenski devotes much time to research each of her books--usually about a different rural area of America. Her excellent b/w illustrations enhance our reading enjoyment and appreciation for the material culture of the Senecas--one of the Five Nations under the Iroquois banner. During her first two years of captivity (as a replacement for a dead clansman), Molly recalls her parents' last words to her when she and a neighbor boy were given moccasins and roughly marched off (before her entire family was butchered on the trail). Her pa assured her that her golden hair would endear her to the Indians; in fact she was called Corn Tassel. She also kept her ma's words in her heart: to be brave, to be flexible and accept her situation with grace; to practice her English in secret and never forget her name, her family or her Bible teachings. Molly's loyalties were tested many times over the years, for she hated the thought of becoming an Indian. Yet can a 12-year-old girl (Lenski makes her younger) live long in an emotional vacuum? Respect, gratitude and friendship gradually slip into her heart despite herself. Will she ever relinquish her dream to escape back to white civilization?
